Executive Director

Dear HR/Payroll Representative:

Earlier Missouri Consolidated Health Care Plan began sending information introducing a new TRICARE Supplement plan available to any eligible MCHCP member who previously retired from the military or are a spouse or former spouse of a retired military member or have a spouse who is on active duty.

Meetings introducing the new option were scheduled to begin May 1 with representatives from the TRICARE Supplement along with a representative from MCHCP hosting these meetings for those TRICARE eligible state employees. **Unfortunately, those meeting must be rescheduled in order to give each eligible member appropriate time to receive information regarding the new product.**

Please inform your employees eligible for this coverage that these meetings will be rescheduled at a later time in May. Members will be notified once these meeting(s) dates have been determined. If you have questions regarding this information, please call Missouri Consolidated Health Care Plan's Customer Service department at 800.487.0771 or if you are in Jefferson City, call 751.0771.
